"Ottasept R"
antimicrobial agent
& fast acting enzymes

K175
Enviro Safe
Urinal Units

DESCRIPTION

This product contains a powerful chemical cleaning system, activated by water to release encapsulated deodorant and condition incoming water. Surface active agents maintain free flowing drains. Reduces scale formation, soil build-up and odor collection automatically between periodic cleanings. Destroys bad odors physiochemically, while pleasantly enhancing the restroom environment with a light fresh fragrance. Designed to allow flow-through of water with no entrapment of odorous material.
