

ENZYMATIC ODOR COUNTERACTANT K271 CUCUMBER MELON SCENT K299 MANGO SCENT

Fiesta quickly eliminates a wide range of malodors through bio-enzymatic action that consumes the source of the odors. This non-toxic, biodegradable concentrate is packed with enzyme-producing bacteria and powerful fragrances. It is effective against malodors caused by pet accidents, urine, vomit, decomposing food, water, smoke damage and many others. Excellent for use in grease traps and drains.

FEATURES & BENEFITS

- **Fiesta** concentrated formula packs higher fragrance, surfactant and bacteria levels so it works quickly and completely eliminates odors.
- 24-hour odor control– unlike other deodorizers, Fiesta uses billions of select spore-form bacteria to eliminate odors at their source by digesting the molecules that create odors.
- Easy to use– can be used with the included sprayer to spray around urinals, toilets, sinks, etc. or diluted in mop water, carpet extractors, etc.
- Versatile– aerobic and anaerobic bacterial spores, high surfactant and fragrance levels make it ideal for use on most odor problems from pet messes on carpet, smelly grout around urinals and toilets, sour milk in the dumpster to foul smelling drains.
- VOC compliant, water soluble, non-acid, non-caustic, non-flammable, water-based formulation.
